RECHARGE & REFRESH

This retreat will provide plenty of opportunities to unwind and relax in a beautiful setting at a great facility with a variety of fun activities available.

DEEPEN RELATIONSHIPS

When you boil it all down, a community of faith is really all about friendships and there's nothing like time away together to strengthen bonds and increase a sense of belonging. It's not always easy to get away from our regular routine, but it'll be worth the effort!

THE PLAN

Our goal at the River is to become a church for the 21st century which helps pioneer a new approach to **faith that works in every setting**. But what does that really look like? What does it mean for us as individuals and as a community? This year's retreat aims to inspire, foster deeper connections, and help us get the most out of our church experience.
